

INFO221 – Project Web Site Sample Screen Shots

The following are screen shots of our version of the web site for the shopping system. This is just to give you an idea of what pages you will need and what should be on them. Create your own style – you do not need to replicate our style.

Index/Home Page – With no logged in user

Create Account

The screenshot shows a dark gray background with a light gray rounded rectangle in the center. Inside this rectangle, there is a red horizontal bar with the text "Create an Account" in white. Below the bar, the text "Account Details" is displayed in a smaller font. Underneath, there are several input fields: "User Code:" with the value "fred", "Name:" with the value "Fred", "Address:" with the value "123 Some Street", "Someplace", "Dunedin", "Credit Card:" with the value "Visa 1234-2333-5543-3442", and "Password:" with the value "....". At the bottom of the form, there is a button labeled "Create Account".
